Re: Air Quality  
Draft Permit to Construct No. ACP-18264 v1.0

Dear Mr. Hanner:

Pursuant to the Air Pollution Control Rules of the State of North Dakota, the Department of Environmental Quality (Department) has reviewed your Permit to Operate renewal application received February 19, 2024, for the Alexander Compressor Station located in McKenzie County, North Dakota. During the minor source PTO renewal, the Department determined permit updates with a Synthetic Minor Permit to Construct were needed. Please see the attached Air Quality Effect Analysis for further explanation.

Before making final determination on the draft Permit to Construct, the Department must solicit public comment by means of the enclosed public notice. As indicated in the notice, the public comment period will begin on April 15, 2025, and end May 14, 2025. The Department's analysis and a draft copy of the Permit to Construct may be found at <https://deq.nd.gov/AQ/PublicCom.aspx>. The documents will be posted on or before April 14, 2025.

All comments received will be considered in the final determination concerning issuance of the permit. You will be notified in writing of our final determination.

If you have any questions or need additional information, I encourage you to contact me at (701)328-1337 or [kmthorsteinson@nd.gov](mailto:kmthorsteinson@nd.gov)

Sincerely,

Kari Thorsteinson  
Environmental Scientist  
Division of Air Quality

NOTICE OF INTENT TO ISSUE AN  
AIR POLLUTION CONTROL  
PERMIT TO CONSTRUCT

Take notice that the North Dakota Department of Environmental Quality (NDDEQ) proposes to issue an Air Pollution Control Permit to Construct to ONEOK Rockies Midstream, L.L.C. for operation of the Alexander Compressor Station in accordance with the North Dakota Air Pollution Control Rules. The facility is located at NE¼, Sec. 1, T151N, R102W, in McKenzie County, North Dakota. The facility is a natural gas gather compressor station. The ONEOK Rockies Midstream, L.L.C. mailing address is 100 W Fifth Street, Tulsa, OK 74103. There are no changes in emission units.

A thirty-day public comment period for the proposed permit to construct will begin April 15, 2025, and end May 14, 2025. Direct comments in writing, including Re: Public Comment Permit Number ACP-18264 v1.0, to AirQuality@nd.gov or the NDDEQ, Division of Air Quality, 4201 Normandy Street, 2<sup>nd</sup> Floor, Bismarck, ND 58503-1324. Emailed comments must be sent to the email address above to be considered. Comments must be received by 11:59 p.m. central time on the last day of the public comment period to be considered in the final permit determination.

A public meeting regarding issuance of the Permit to Construct will be held if a significant degree of public interest exists as determined by NDDEQ. Requests for a public meeting must be received in writing by NDDEQ before the end of the public comment period. The application, NDDEQ analysis and draft permit are available for review at the above address and on-line at <http://deq.nd.gov/AQ/PublicCom.aspx>. A copy of these documents may be obtained by writing to the Division of Air Quality or contacting Kari Thorsteinson at (701)328-1337 or emailing kmthorsteinson@nd.gov.

The NDDEQ will consider every request for reasonable accommodation to provide an accessible meeting facility or other accommodation for people with disabilities, language interpretation for people with limited English proficiency (LEP), and translations of written material necessary to access programs and information. Language assistance services are available free of charge to you. To request accommodations, contact NDDEQ's Non-discrimination Coordinator at 701-328-5150 or deqEJ@nd.gov. TTY users may use Relay North Dakota at 711 or 1-800-366-6888.

Dated this 10<sup>th</sup> day of April 2025.

James L. Semerad  
Director  
Division of Air Quality
