Glendive, MT 59330

Re: Air Quality
Draft Permit to Construct No. ACP-18264 v1.0

Dear Mr. Dempewolf:

Pursuant to the Air Pollution Control Rules of the State of North Dakota, the Department of Environmental Quality (Department) has reviewed your Permit to Operated renewal application received May 16, 2024, for the Manning Compressor Station located in Dunn County, North Dakota. During the minor source PTO renewal, the Department determined permit updates with a Synthetic Minor Permit to Construct were needed. Please see the attached Memo to File for further explanation.

Before making final determination on the draft Permit to Construct, the Department must solicit public comment by means of the enclosed public notice. As indicated in the notice, the public comment period will begin on January 10, 2025, and end February 8, 2025. The Department's analysis and a draft copy of the Permit to Construct may be found at <https://deq.nd.gov/AQ/PublicCom.aspx>. The documents will be posted on or before January 9, 2025.

All comments received will be considered in the final determination concerning issuance of the permit. You will be notified in writing of our final determination.

If you have any questions or need additional information, I encourage you to contact me at (701)328-1337 or kmthorsteinson@nd.gov

Sincerely,

Kari Thorsteinson
Environmental Scientist
Division of Air Quality

NOTICE OF INTENT TO ISSUE AN
AIR POLLUTION CONTROL
PERMIT TO CONSTRUCT

Take notice that the North Dakota Department of Environmental Quality (NDDEQ) proposes to issue an Air Pollution Control Permit to Construct to WBI Energy Transmission, Inc. for operation of the Manning Compressor Station in accordance with the North Dakota Air Pollution Control Rules. The facility is located at 10610 - 11th Street SW, in Manning, North Dakota. The facility is a natural gas transmission compressor station. The WBI Energy Transmission, Inc. mailing address is 2010 Montana Avenue, Glendive, MT 59330. There are no changes in emissions.

A thirty-day public comment period for the proposed permit to construct will begin January 10, 2025, and end February 8, 2025. Direct comments in writing, including Re: Public Comment Permit Number ACP-18260 v1.0, to AirQuality@nd.gov or the NDDEQ, Division of Air Quality, 4201 Normandy Street, 2nd Floor, Bismarck, ND 58503-1324. Emailed comments must be sent to the email address above to be considered. Comments must be received by 11:59 p.m. central time on the last day of the public comment period to be considered in the final permit determination.

A public meeting regarding issuance of the Permit to Construct will be held if a significant degree of public interest exists as determined by NDDEQ. Requests for a public meeting must be received in writing by NDDEQ before the end of the public comment period. The application, NDDEQ analysis and draft permit are available for review at the above address and on-line at <http://deq.nd.gov/AQ/PublicCom.aspx>. A copy of these documents may be obtained by writing to the Division of Air Quality or contacting Kari Thorsteinson at (701)328-1337 or emailing kmthorsteinson@nd.gov.

The NDDEQ will consider every request for reasonable accommodation to provide an accessible meeting facility or other accommodation for people with disabilities, language interpretation for people with limited English proficiency (LEP), and translations of written material necessary to access programs and information. Language assistance services are available free of charge to you. To request accommodations, contact NDDEQ's Non-discrimination Coordinator at 701-328-5150 or deqEJ@nd.gov. TTY users may use Relay North Dakota at 711 or 1-800-366-6888.

Dated this 7th day of January 2025.

James L. Semerad
Director
Division of Air Quality
