Updates

Date: 7/16/2018 **Status:** Reviewed - Follow-up Required

No Further Action:

Author: Crowdus, Kory

Notes:

Release impacted areas off location. Follow-up is required.

Updated Volumes and Contaminant None at the time of this update

Date: 7/27/2018 **Status:** Inspection

No Further Action:

Author: Martin, Russell

Notes:

7/18/2018 at 16:55, on location. Met with personnel washing down site equipment. Impacted vegetation mostly mown down, though some areas of prickly pear cactus and yucca shrub were not. No visible staining on the soil, vegetation appears to have caught the majority of the offsite mist. No further follow-up required at this time.

Updated Volumes and Contaminant None at the time of this update

Date: 7/27/2018 **Status:** Correspondence

No Further Action:

Author: Martin, Russell

Notes:

Russell Martin sent a No Further Action letter dated July 27, 2018.
