Other						
Oth Rel. Contaminant:						
Date Inspected:						
Clean Up Concluded:		1/9/2019				
Written Report Recd:		6/8/2019				
Risk Eva	-					
There were no personal injuries. The fire was quickly extinguished by on-site personnel.						
Areal Extent:						
50 square feet. A 10 foot by 5 foot grassy area inside the lease site fence burned.						
Potential Env. Impacts:						

No impact to surface or ground water. Grass and soil were charred, but the grass will grow back in the spring.

# Action Taken/Planned:

The affected grass area will be addressed by raking only. The area immediately around the base of the flare will be back dragged and additional scoria will be added.

### Wastes Disposal Location:

There should be no waste generated. If wastes are produced, they will be taken to Little Knife Disposal.

#### Other Agencies Involved:
