**Other Agencies Involved:**

## **Updates**

---

**Date:** 12/21/2020      **Status:** Reviewed - No Action Required

**Author:** Suess, Bill

**Notes:**

Spoke with the RP. This incident was the result of overfilling a heated air trailer. Impacted soils have been removed and the site reclamation will be part of the wind farm project. Due to the size and nature of the release, no follow-up is needed.

**Updated Volume:** None at the time of this update
