Updates

Date: 5/15/2018 Status: Reviewed - Follow-up Required

Author: O'Gorman, Brian

Notes:

According to the report Sonalan HFP (a preemergent herbicide) was released onto an 8 mile portion of gravel road. Some of the gravel was back-dragged for incorporation into the road. Phone follow-up needed for additional information.

Updated Volume: None at the time of this update

Date: 5/17/2018 Status: Correspondence

Author: O'Gorman, Brian

Notes:

Received several emails from the company contact with photos and a map showing the release site and travel locations. Emails and photos added to incident folder. No further follow-up needed at this time.
