Author: Crowdus, Kory

Notes:

Dumping of oil and chemicals to the ground. Follow-up is required.

Updated Volume: None at the time of this update

Date: 9/5/2018 **Status:** Inspection

Author: Stockdill, Scott

Notes:

Arrived on location 10:57 9/5/2018.

Minimal amount of impacts from hydrocarbons. One small area near fence and some where the waste oil heater was. Responsible party is going to be cleaning up impacted soil this weekend. Whole site where the shop burned down will be removed and regraded in the coming months.

No follow-up is necessary.
