Updates

Date: 11/12/2019 ***Status:*** Reviewed - Follow-up Required

Author: O'Gorman, Brian

Notes:

According to the report, bentonite was released due to a inadvertant return. More follow-up needed.

Updated Volume: None at the time of this update

Date: 2/24/2020 ***Status:*** Correspondence - Vegetation Check

Author: Suess, Bill

Notes:

Spoke with the RP. All 3 sites have been cleaned up. Will need a site inspection to confirm remediation and re-vegetation.

Updated Volume: None at the time of this update

Date: 11/19/2020 ***Status:*** Inspection - No Action Required

Author: Suess, Bill

Notes:

Inspected all three sites on 11/17/2020. No adverse environmental impacts associated with this incident were observed. No further action is warranted.

Updated Volume: None at the time of this update
