Updates

Date: 2/10/2020 **Status:** Reviewed - Follow-up Required

Author: Sues, Bill

Notes:

This incident impacted a roadway. Although a subsequent fire has remediated most of the impacts, follow-up is needed to assure full remediation.

Updated Volume: None at the time of this update

Date: 2/13/2020 **Status:** Inspection - More Follow-up Required

Author: Stockdill, Scott

Notes:

Unable to determine the exact location of the release. No photos taken. Check site after snow clears to determine the extent of environmental impacts.

Updated Volume: None at the time of this update

Date: 8/18/2021 **Status:** Inspection - No Action Required

Author: Lund, Dylan

Notes:

Arrived on location at 3:30pm on 8-18-2021.

Drove along the entire median on both sides where release happened inspecting vegetation. Median vegetation is growing healthily with no environmental concerns. Photos were taken and can be found in the incident folder.
