

# RADIOLOGICAL EMERGENCY RESPONSE VOLUNTEER

North Dakota Department of Health  
Radiation Control Program  
SFN 58237 2/06

The Radiation Control Program solicits voluntary participation of individuals in North Dakota with radiation safety training and/or radiation measurement equipment to assist first-responders, if necessary, in determining radiation hazards during incidents involving radioactive material. If you or other personnel in your organization wish to volunteer to assist the Radiation Control Program during these emergencies, please complete this form and return it to the address above.

**Submit form to:** North Dakota Department of Health, Air Quality Division, 2<sup>nd</sup> Floor, 918 East Divide Ave., Bismarck, ND 58501-1947 Phone: 701-328-5188 Fax: 701-328-5185
