The community water system hereby confirms that the Consumer Confidence Report has been distributed to customers (or appropriate notices of availability have been given) as required. Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data.

The following items are mandatory:

Check Initial Method of Delivery: □ Mailed CCR to all customers, or □ Published the entire CCR in the local newspaper; or □ Mailed written notice of CCR electronic availability to all customers.
(For e-delivery, a one-click URL link must lead directly to CCR. If customer prefers paper copy or if electronic delivery is unsuccessful, CCR must be made available through alternate method. Reverse 911 is not allowed.)

List the dates and newspapers: ______________________________________________________________

If published, how informed customers the CCR will not be mailed. List methods of notification (must be separate from published report):
