As appropriate, to help avoid impacts to cultural resource sites, please coordinate a draft copy of this form along with a copy of a U.S. Geological Survey 7.5" quadrangle map and/or a soil survey map with the boundary of the disposal site drawn into the State Historic Preservation Office (address below).

Conditions of Approval or Comments

5. Local Approval

The County Extension Agent, Emergency Manager, or other local official may sign this section.

I, the undersigned, agree that waste disposal at the location described on this application is acceptable to local officials.

Signature	Printed Name	Date
Zoning Jurisdiction		Telephone Number

6. Waste Information

The waste has been inspected. Prohibited waste or materials will not be disposed and/or removed prior to disposal. (To be signed by on-site personnel).

Signature		Date
Printed Name	Telephone Number	Number of Animals
Comments		

7. Contractor/National Guard

The waste disposal site was generally operated and closed according to the Department's Emergency Guideline, Waste Disposal Variance - Dead Livestock. All waste is buried at a depth of at least four (4) feet.

Signature	Date
Printed Name	Telephone Number

8. Disposal Site Owner

Severe weather and/or animal disease issues have created emergency conditions in the state of North Dakota. In order to reduce threats to the environment and/or the livestock industry, I agree that dead or diseased animals, as described on this form, may be disposed on my property and will be managed in general accordance with guidelines written by the North Dakota Department of Health. To help mitigate emergency conditions, I agree to accept such animals for disposal on my site and give right-of-entry for said purposes.

Signature	Date
Printed Name	Telephone Number
