I certify that:

- I. All information in this certification is true and complete.
- II. The registrant has developed and will maintain procedures designed to establish physical control over the depleted uranium described in Chapter 33.1-10-16-01 [10 CFR 40.25] and designed to prevent transfer of such depleted uranium in any form, including metal scrap, to persons not authorized to receive the depleted uranium.
- III. I understand that Department rules require that any changes in information furnished by a registrant on this registration certificate be reported in writing to the Department within thirty (30) days after the effective date of such change.
- IV. I understand that the registrant is required to comply with the provisions of Chapter 33.1-10-16-01 [10 CFR 40.25] with respect to all depleted uranium the registrant receives, acquires, uses, or transfers under the general license for which this registration certificate is filed with the Department.
