## **APPLICANT RIGHTS**

**APPLICANT: Please review and retain for your records.**

### **Privacy Act Statement**

As of 03/30/2018

This privacy act statement is located on the back of the FD-258 fingerprint card.

**Authority:** The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

**Principal Purpose:** Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

**Routine Uses:** During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

### **28 CFR 50.12(b)**

Officials at the governmental institutions and other entities authorized to submit fingerprints and receive FBI identification records under this authority must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. The officials making the determination of suitability for licensing or employment shall provide the applicants the opportunity to complete, or challenge the accuracy of, the information contained in the FBI identification record. These officials should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record, or has declined to do so. Those officials making such determinations must advise the applicants that procedures for obtaining a change, correcting, or updating of an FBI identification record are set forth in 28 CFR 16.34. A statement incorporating these use-and-challenge requirements will be placed on all records disseminated under this program. This policy is intended to ensure that all relevant criminal record information is made available to provide for the public safety and further, to protect the interests of the prospective employee/licensee who may be affected by the information or lack of information in an identification record.
