**CERTIFICATION STATEMENT**

I certify under penalty of law that for the industrial or mining site and permit described above:

As of  disturbed soils at the identified site have been finally stabilized, seventy percent restored vegetative coverage as compared to preexisting vegetation, and temporary erosion control measures have been removed, or that all storm water discharges associated with industrial or mining activity from the identified site, authorized by a NDPDES general permit have been eliminated.

I understand that by submitting this Notice of Termination, that I am no longer authorized to discharge storm water associated with industrial or mining activity by the general permit, and that discharging pollutants in storm water to waters of North Dakota is unlawful under North Dakota Century Code 61-28 where the discharge is not authorized by a NDPDES permit.
