Clean Water State Revolving Fund Loan Awarded to Arthur for Storm Sewer

BISMARCK, N.D. – The Clean Water State Revolving Fund (CWSRF) Program awarded a \$204,000 loan to the City of Arthur, North Dakota in September 2018. This loan will help the city replace two blocks of storm sewer that recently failed.

The U.S. Environmental Protection Agency provides part of the funding for the CWSRF Program, which offers below-market interest rate loans to political subdivisions for financing projects authorized under the Clean Water Act. CWSRF programs operate nationwide to provide the funding necessary to maintain and improve the infrastructure that protects our vital water resources.

For more information, contact Dave Bergsagel, North Dakota Department of Health, at 701.328.5212, or visit <https://deq.nd.gov/MF/CWSRF/>.
