Crude Oil Spill Reported in Dunn County

BISMARCK, N.D. – The North Dakota Department of Environmental Quality (NDDEQ) has been notified of a crude oil spill resulting from a pipeline fracture in Dunn County. The pipeline is operated by Bridger Pipeline, LLC. The incident occurred about 11 miles northwest of Killdeer on Tuesday, Feb. 2, and it was reported the same day.

Bridger Pipeline, LLC estimates that approximately 250 barrels of crude oil were released. Of this amount, approximately ten barrels migrated off the pad, impacting rangeland.

Personnel from the NDDEQ are inspecting the site and will continue to monitor the investigation and remediation.
