## **Crude oil spill reported in Divide County**

BISMARCK, N.D. – On Saturday, March 20, the North Dakota Department of Environmental Quality (NDDEQ) was notified of a crude oil spill in Divide County about 16 miles southeast of Crosby. The spill resulted from a pipe valve failure at a site operated by Summit Midstream Partners, LP.

Approximately 532 barrels of oil were released, of which 400 barrels have since been recovered. Fortunately, the spill was contained to the site.

Personnel from the NDDEQ are inspecting the site and will continue to monitor the investigation and remediation.
