### **North Dakota Environmental Conference Scheduled for Sept. 20**

BISMARCK, N.D. – The Upper Midwest Section of the Air & Waste Management Association (AWMA) is hosting the annual North Dakota Environmental Conference on Tuesday, Sept. 20, 2022, at the National Energy Center of Excellence at Bismarck State College. The all-day conference invites environmental professionals representing industry, consultants, government, and academia, serving in the areas of air quality, stormwater, water quality/wastewater treatment, waste management and more. Through keynote presentations and technical sessions, attendees will learn about new, relevant environmental issues.

The keynote speaker is North Dakota Lt. Gov. Brent Sanford.

Coffee and snack breaks will provide an opportunity to network with other environmental professionals. Lunch is provided.

View the full conference agenda and register online at <https://www.awma-ums.org/calendar/2022-north-dakota-regional-environmental-conference>. The participation cost is \$75 per for non-AWMA members and \$50 for members.
