North Dakota Environmental Conference Scheduled for Sept. 12

BISMARCK, N.D. – The Upper Midwest Section of the Air & Waste Management Association (AWMA) is hosting the third annual North Dakota Environmental Conference on Tuesday, Sept. 12, 2023, at the Bismarck State College National Energy Center of Excellence. The all-day event invites environmental professionals representing industry, consultants, government, and academia, serving in the areas of air quality, stormwater, water quality/wastewater treatment, waste management and more. Through keynote presentations and technical sessions, attendees will learn about new and relevant environmental issues.

The keynote speaker is North Dakota Environmental Quality Director David Glatt.

Coffee and snack breaks will provide an opportunity to network with other environmental professionals. Lunch is provided.

View the full conference agenda and register online at <https://awma-ums.org/meetinginfo.php>. The participation cost is \$75 for AWMA members and \$100 for non-AWMA members.
