

## LAND APPLICATION WORKSHEET

North Dakota Department of Environmental Quality - Division of Waste Management  
 Telephone: 701-328-5166 • Fax: 701-328-5200 • Website: <https://deg.nd.gov/wm>  
 Revision: 10/2019

This worksheet is intended to help implement the Department's **Septage, Sump and Pit Waste, and Restaurant Grease Trap Waste Management** guideline, specifically for those generators who intend to land apply such inert wastes. Any person who land applies waste from a business or commercial operation is subject to the provisions of the North Dakota Solid Waste Management Rules (NDAC 33.1-20). Please call the Department's Solid Waste Program at 701-328-5166 to coordinate your plan with a Department staff member. The Department's guidelines can be downloaded at: <https://deg.nd.gov/wm/Publications.aspx>

### A. Generator and Waste Description - please attach copies of pertinent analysis or description:

<b>Name of Waste Source:</b>	<b>Waste Type (describe):</b>
<b>Approximate Volume/Year:</b>	<b>How is the waste generated?</b>
