**MEMORANDUM 2018**

**TO:** Underground Storage Tank (UST) System Owners and Operators

**FROM:** Carl E. Ness, Manager  
Underground Storage Tank Program  
Division of Waste Management

**SUBJECT:** New UST Rules

**DATE:** Wednesday, September 26, 2018

**Training Event:** Introduction to the New UST Rules  
Effective Date – April 1, 2018

April 1, 2018 is the implementation date of the new North Dakota Underground Storage Tank rules and regulations. These presentations will acquaint owners, operators, contractors and installers with what the new rules and regulations entail. Each presentation will contain the same material.

The information that will be provided is very similar to what was covered by the previous presentations which were held in 2017 and 2018. The main difference is that with an effective date of April 1, 2018, specific regulation compliance dates have been set and resource documents have been finalized. These will be described in detail.

**Date:** November 7<sup>th</sup>, 1:00pm to 3:00pm

**Minot** - North Central Research Extension Center, 5400 Highway 83 South, Minot ND

-OR-

**Date:** November 15<sup>th</sup>, 1:00pm to 3:00pm

**Bismarck** - Environmental Training Center, 2639 E Main Avenue, Bismarck ND

**NOTE:** This training is not mandatory, just informative for the UST community and is **not a substitute** for the online operator training requirement.

**RSVP:** Please RSVP to [ndust@nd.gov](mailto:ndust@nd.gov) by November 1, 2018, indicating where you will attend so appropriate accommodations can be made for room set up and handouts.

If you have questions regarding this training, please reply to [ndust@nd.gov](mailto:ndust@nd.gov) or call 701.328.5166.
