- 8.2.6.4 That adequate utilities, access roads, drainage and other necessary site improvements have been or are being provided.
- 8.2.6.5 That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic impact on the area.

8.3.6.4 That there is practical difficulty or unnecessary hardship in use of the premises if the strict application of the regulations were to be carried out.

8.3.7 Authorized Variances

In such case, proceedings shall not be stayed other than by a restraining order, which may be granted by the Board of Township Supervisors, or by a court of record.

8.4.6 Transmittal of Papers

The Codes Administrator or the official whose decision is being appealed shall transmit to the Board of Township Supervisors all papers constituting the record upon which the action appealed is taken.

8.4.7 Review and Action – Board of Township Supervisors

Appeals of Administrative Decisions shall be taken to the Board of Township Supervisors.
