Re: Air Pollution Control  
Draft Permit to Construct No. ACP-18150 v1.0

Dear Ms. Butterfield,

Pursuant to the Air Pollution Control Rules of the State of North Dakota, the Department of Environmental Quality has reviewed the permit applications submitted December 21, 2021, and July 21, 2022, to obtain a Permit to Construct to reflect as-built operating conditions associated with renewable fuels production at the facility and equipment transferred to the Marathon Dickinson Refinery upon Tesoro Great Plains Gathering & Marketing, LLC’s acquisition of the Bakken Oil Express, LLC (BOE) – Crude Oil Storage: Rail Loading facility located in Stark County, North Dakota.

Before making final determination on the draft Permit to Construct, the Department must solicit public comment by means of the enclosed public notice. As indicated in the notice, the public comment period will begin on August 10, 2022, and end on September 9, 2022. The Department’s analysis and a draft copy of the Permit to Construct Amendment may be found at https://deq.nd.gov/AQ/PublicCom.aspx.

All comments received will be considered in the final determination concerning issuance of the permit. You will be notified in writing of our final determination.

If you have any questions, please contact me at (701)328-5229 or destroh@nd.gov.

Sincerely,

David Stroh  
Environmental Engineer  
Division of Air Quality

NOTICE OF INTENT TO ISSUE AN AIR POLLUTION CONTROL PERMIT TO CONSTRUCT

Take notice that the North Dakota Department of Environmental Quality (NDDEQ) proposes to issue an Air Pollution Control Permit to Construct (PTC) to Tesoro Refining & Marketing Company LLC, d/b/a Marathon Dickinson Refinery. The facility is located near Dickinson, North Dakota in Stark County. PTC ACP-18150 v1.0 incorporates final updates to reflect as-built operating conditions associated with renewable fuels production and equipment transferred to the Marathon Dickinson Refinery upon Tesoro Great Plains Gathering & Marketing, LLC’s acquisition of the Bakken Oil Express, LLC (BOE) – Crude Oil Storage: Rail Loading facility. The Marathon Dickinson Refinery processes various renewable fuel feedstocks into renewable fuels, primarily renewable diesel. The Marathon Dickinson Refinery mailing address is 3815 - 116th Ave SW, Dickinson, North Dakota 58601.

A thirty-day public comment period for the draft PTC will begin August 10, 2022, and end September 9, 2022. Direct comments in writing to the NDDEQ, Division of Air Quality, 4201 Normandy Street, Bismarck, ND 58503-1324 or email AirQuality@nd.gov, Re: Public Comment Permit Number ACP-18150 v1.0. Please note that, to be considered, comments submitted by email must be sent to the email address listed; comments sent to any other email address will not be considered. Comments must be received by 11:59 p.m. central time on the last day of the public comment period to be considered in the final permit determination. A public hearing regarding issuance of the permit will be held if a significant degree of public interest exists as determined by the NDDEQ. Requests for a public hearing must be received in writing by the NDDEQ before the end of the public comment period.

The notice, draft permit, air quality effects analysis memo, and permit applications are available for review at the NDDEQ address and at the Division of Air Quality website at https://deq.nd.gov/AQ/PublicCom.aspx. A copy of these documents may be obtained by writing to the Division of Air Quality or contacting David Stroh at (701)328-5229 or emailing destroh@nd.gov.

Dated this 4th day of August 2022.
