Re: Air Pollution Control  
Draft Permit to Construct No. ACP-17845 v1.1

Dear Ms. Pundari:

Pursuant to the Air Pollution Control Rules of the State of North Dakota, the Department of Environmental Quality (Department) has reviewed the permit application received May 16, 2023, to obtain a renewed Permit to Operate AOP-28040 v2.0 for operation of the Stony Creek Compressor Station located in Williams County, North Dakota.

Before making final determination on the draft Permit to Operate, the Department must solicit public comment of its draft Permit to Construct by means of the enclosed public notice. As indicated in the notice, the public comment period will begin on June 28, 2024, and end July 28, 2024. The Department's analysis and a draft copy of the Permit to Construct may be found at <https://deq.nd.gov/AQ/PublicCom.aspx>. The documents will be posted on or before June 28, 2024.

All comments received will be considered in the final determination concerning issuance of the permit. You will be notified in writing of our final determination.

If you have any questions, please contact me at (701)328-4639 or email [rsmartin@nd.gov](mailto:rsmartin@nd.gov).

Sincerely,

Russell Martin  
Environmental Scientist  
Division of Air Quality

NOTICE OF INTENT TO ISSUE AN  
AIR POLLUTION CONTROL  
PERMIT TO CONSTRUCT

Take notice that the North Dakota Department of Environmental Quality (NDDEQ) proposes to issue a modified Air Pollution Control Permit to Construct to Hiland Partners Holdings LLC for operation of the Stony Creek Compressor Station in accordance with the North Dakota Air Pollution Control Rules. The natural gas compressor station operates in Williams County, North Dakota. The Hiland Partners Holdings LLC mailing address is 1001 Louisiana Street, Ste 1000, Houston, TX 77002.

Preliminary evaluations made by Department staff indicate that the station will comply with all applicable Air Pollution Control Rules and there will be no detrimental/significant effects to air quality. Predicted concentrations in the air surrounding the facility are expected to be below the state and federal ambient air quality standards, which are standards that are set at a level to protect human health and the environment.

A 30-day public comment period for the proposed permit to construct will begin June 28, 2024, and end July 28, 2024. Direct comments in writing, including Re: Public Comment Permit Number ACP-17845 v1.1, to AirQuality@nd.gov or the NDDEQ, Division of Air Quality, 4201 Normandy Street, 2<sup>nd</sup> Floor, Bismarck, ND 58503-1324. Emailed comments must be sent to the email address above to be considered. Comments must be received by 11:59 p.m. central time on the last day of the public comment period to be considered in the final permit determination.

A public meeting regarding issuance of the Permit to Construct will be held if a significant degree of public interest exists as determined by NDDEQ. Requests for a public meeting must be received in writing by NDDEQ before the end of the public comment period. The application, NDDEQ analysis and draft permit are available for review at the above address and on-line at <http://deq.nd.gov/AQ/PublicCom.aspx>. A copy of these documents may be obtained by writing to the Division of Air Quality or contacting Russell Martin at (701)328-4639 or emailing rsmartin@nd.gov.

The NDDEQ will consider every request for reasonable accommodation to provide an accessible meeting facility or other accommodation for people with disabilities, language interpretation for people with limited English proficiency (LEP), and translations of written material necessary to access programs and information. Language assistance services are available free of charge to you. To request accommodations, contact NDDEQ's Non-discrimination Coordinator at 701-328-5150 or deqEJ@nd.gov. TTY users may use Relay North Dakota at 711 or 1-800-366-6888.

Dated this 24<sup>th</sup> day of June 2024

James L. Semerad  
Director  
Division of Air Quality
