- ^A If the burn is a pile burn that must be indicated in this column of the form and each pile burn needs its own entry on the form.
- ^B Decimal version of the latitude and longitude locations should be provided.
- ^C Each individual burn is required to have its own separate entry for each burn day (if a burn is started and extinguished, that is one burn. If the same area is burned again another entry for each additional burn is required). Use additional sheets as needed.
