DISCLAIMER: The North Dakota Department of Health, Division of Waste Management, encourages recycling and processing of material which might otherwise become a solid waste. The Department maintains lists of service providers and equipment vendors solely as a service, and the lists may not be a complete listing of available services.

The Division of Waste Management, by providing these lists, does not endorse any specific company, service or product nor suggest that any company, service or product is in compliance with applicable laws. The Division also advises interested parties to evaluate the company, service or product and respective compliance status of the company, service or product they choose.

If further assistance is needed, please contact this Division at 701-328-5166.
