North Dakota Department of Environmental Quality
Public Notice of Opportunity to Comment on Draft Permit
for the Minot Air Force Base
Issued Under the North Dakota Hazardous Waste Management Rules

The North Dakota Department of Environmental Quality, Division of Waste Management, plans to issue a modified permit to:

Department of Defense
Minot Air Force Base
5 CES/CEIE 531 Bomber Boulevard
Minot, ND 58706

Background

Minot Air Force Base is a military installation supporting the nation’s defense. The Department of Environmental Quality has initiated a permit modification to continue the implementation of corrective action at contaminated sites on the base. The Minot Air Force Base has an existing permit issued under the North Dakota Hazardous Waste Management Rules which allows corrective action implementation. The existing permit has an expiration date of July 1, 2024. The North Dakota Department of Environmental Quality believes that a permit which meets the requirements of the North Dakota Hazardous Waste Management Rules to protect human health and the environment can be issued to the Minot Air Force Base and has prepared a Draft Permit with appropriate conditions according to the requirements of Chapters 33.1-24-06 and 33.1-24-07 of the North Dakota Administrative Code (NDAC).

Public Comment and Hearing

Those wishing to provide comments, or request a hearing, on the proposed permit should notify the North Dakota Department of Environmental Quality, in writing, no later than September 9, 2022. Comments should be sent to:

Derek Kannenberg, Manager
Hazardous Waste Program
North Dakota Department of Environmental Quality
Division of Waste Management
4201 Normandy Street
Bismarck, ND 58503-1324
The Draft Permit and background documents may be reviewed at the North Dakota Department of Environmental Quality at the address listed above and the Division of Waste Management's website:
